START AREA

THE START OF THE HYUNDAI HALF MARATHON IS SCHEDULED FOR OCTOBER 11TH AT 09:20 AM. THE TIME LIMIT TO FINISH THE RACE IS 3 HOURS.

HOW TO GET TO THE START

The start of the Hyundai Half Marathon is located on the **Vasco da Gama Bridge**, in Lisbon.

To reach the start, **participants must use the shuttles provided by the organization.** These shuttles depart from Gare do Oriente, right in front of the Vasco da Gama Shopping Center.

Participants may use Lisbon's public transport free of charge (Carris buses, Metro, and CP trains) to travel to Gare do Oriente, upon presentation of their bib.

Participants should plan their journey to ensure they arrive at Gare do Oriente in good time.

The only way to reach the start is by using the organization's shuttles. There are no alternative options.

Participants living or staying on the south bank of the Tagus must also travel to Gare do Oriente. **It is not possible to access the start directly from the south bank.**

To ensure a smooth and stress-free start, the organizers strongly recommend that participants use the designated shuttles.

Please check the shuttles timetable on page 8 >>>

TO AVOID INCONVENIENCE, THE ORGANIZERS URGE PARTICIPANTS TO ARRIVE AT THE START AREA AS EARLY AS POSSIBLE.

SUSTAINABILITY

Every race is a moment of overcoming challenges. But it is also an opportunity to care for the environment. Small actions make a difference:

- On race day, before and after, use public transportation or carpool with friends—this way we reduce traffic and pollution.
- Put your trash in the appropriate containers at the start and finish lines and recycle. Don't throw water bottles on the ground, but in the bins located after the refreshment stations;
- Use the portable toilets at the start, along the course, and at the finish line;
- Bring clothes to the start that you can donate to a charity.
- Don't throw away your race number! Keep it so you can remember this experience later!

SPONSORS

THESE WEEKEND'S RACES WERE ONLY POSSIBLE THANKS TO THE CONTRIBUTION AND EFFORTS OF DIFFERENT BRANDS, ORGANIZATIONS AND INDIVIDUALS, TO WHOM WE WOULD LIKE TO SAY A BIG THANK YOU!
